Dear Joshua

I have just had a communication from our office in New York and they would very much like to have some tapes of your compositions, do you have any I could send to David Huntley? Also, if you have already visited the US, did you manage to see anyone in our New York Office, or elsewhere?

Kind regards.

Yours sincerely

Dear Mr Ruan

PHOSPHATE, SUGER AND BASSES

Just to let you know that David Halliday is delighted with the news that BBC Radio III panel has accepted your above work. Also for your news about NOTTURNO.

Kind regards.

Yours sincerely
